

WINYATES PLAYGROUP

Newsletter

October 2018

Welcome to the October newsletter of Winyates Playgroup, and a special welcome to all the new children and their parents/carers. Our newsletter is produced so that we can let you know what the children will be doing in the coming months and provide you with information about the playgroup.

Activities

All our activities are based on our children's needs and interests. Part of your child's development is focused on Learning through play. It is part of our plans to observe this through the "Characteristics of Effective Learning". We would like to introduce this to parents/carers/ children through a short story about dinosaurs who are learning in these ways (sheet attached). Your child may come home and tell you he/she is a Stickosaurus, Explorosaurus or a Thinkosaurs. Don't be alarmed this is a fun way to see how we learn.

Different foods will be sent home for you to share with the children, this is to introduce the children into trying new or different foods.

Malleable and Messy play. This means the children will be exploring and experimenting with different textures and substances.

Health and Safety

Whatever the weather head lice can always be a problem. Don't Panic! - Our staff can advise you of the appropriate action to take.

To avoid infection, if your child has sickness and/or diarrhoea please leave **48 hours** after recovery before sending them back to Playgroup.

Reception; please use the **correct** gate (the **IN** gate on entering and the **OUT** gate on departing). This is so we can protect your child from not getting lost.

Please inform us when **ANYONE DIFFERENT** is picking up your child, or if you are going to be late. **Please keep the playgroup up to date on current contact details** or ANY change of circumstances.

Following recent Fire Marshall Training on evacuating the premises, we cannot accommodate bikes, pushchairs etc. in the reception area, we need clear routes to get your children out safely.

Please remember to sign the medication book if you want nappy cream or medication used in playgroup.

Healthy Eating

We are still promoting Healthy Eating in the group, by providing fresh fruit daily, wholemeal toast, milk and water. Please support us by encouraging healthier options within your child packed lunches. **No** sweets, chocolates or popular sweets in yoghurts please. All sweets and chocolate will be sent home in your child's lunch box. Please encourage healthier options such as natural yoghurt, cut up fruit, veg and salad. Please wrap food in food bags, foil or cling film. Your child's leftover food is wrapped up and sent home, so you know what your child has/not eaten. Please supply your child with adequate drinks, they are allowed one third of a pint of milk free per day. We provide water if your child's drink has run out. If your child is at playgroup all day, make sure the packed lunch has an ice block in it. We provide

Spoons for yoghurts. **Could you please peel, cut up pieces of fruit and halve grapes/cherry tomatoes, so they are ready for your children to eat safely.** As you can understand that most days there can be 26 children for lunch there isn't time for us to do this. Thank you.

Comments Book

We invite you to make use of our 'Comments' book. Your views and ideas are always welcome. Also please feel free to discuss any problems or queries with a member of staff. We have had good feedback about putting the coat and lunch box trolleys outside after group; it has reduced congestion in the reception.
